

Registration Booklets and Measurement Certificates Document Infringement Form

In accordance with the International Optimist Class Rules (2008), notably Sections 2.4 and 2.5, boats are not permitted to race in the class without valid measurement documentation. Certificates that are invalid for whatever reason represent a breach of the Class Rules.

This form details an infringement in measurement documentation relating to:

Competitor's Name:	
Sail Number:	
Event:	<i>2008 – Nationals at Tralee</i>
Date:	

Measurement Infringement

Equipment Item (or document)	Infringement Details

Declaration

We acknowledge the above documentation infringement and agree to rectify the problem within six weeks from the above date to the satisfaction of the IODAI Technical Officer. We further acknowledge that during this time the helm of the above boat (if competing in the Senior or Junior Fleet) will only be given a provisional placing at the event and that failure to rectify the infringement may result in disqualification from the event due to a breach of Class Rules.

Note: This does not apply to the Regatta Fleet
